Volume 1 Issue 2

What's the dose?

Sullivan University College of Health Sciences would like to introduce *The Quarterly Dose*. Our newsletter is

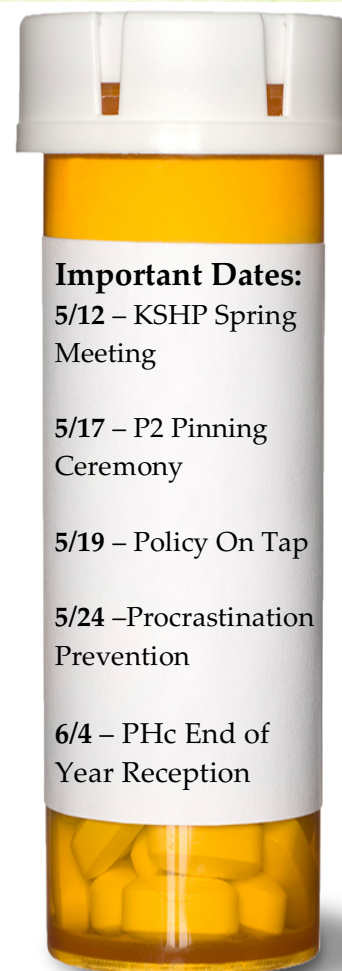

the hub for all updates on student affairs at the College of Health Sciences and medical news.

Student Organization Updates

APhA-ASP

SUCOP was represented at the national APhA conference in San Francisco on March 24th-27th. Seven students along with Dean Stowe and Dr. Stutz made the trip to the Bay Area. Our student chapter left the conference winning the national award for "Most Innovative Chapter" thanks to the hard work of Operation Protect Yourself!

On Thursday April 6th, SUCOP had an emergency preparedness visit from KDPH/KPhA's Mobile Pharmacy. The highly successful visit consisted of a lecture discussing the mission and operation of the Mobile Pharmacy.

AMCP

AMCP hosted a Lunch & Learn Speaker Series on Thursday April 20 with special guest Debbie Meyer, RPh and Humana Representative. Meyer outlined the new Humana Scholars program for upcoming P2 students. AMCP, also, happily donated a basket for the recent Mental Health and Wellness Fair.

SSHP

SSHP hosted a panel of residents for a Q&A session on Wednesday, 4/19 in Aud A. The panel's main topics included residency interviews and the Match process. Residents were able to answer student's questions about APPE rotations and the upcoming Midyear meeting.

Don't forget about the KSHP Spring meeting on Friday, May 12th at the Louisville Marriott. There are some great presentations on the agenda, including from Dr. Daniel Malcom and Dr. Chris Betz. See the KSHP website for details.

Operation Heart & Diabetes

Operation Heart & Diabetes held a health fair at Walmart on Saturday and Sunday in November during Fall Quarter. We had multiple students from the P1 and P2 classes volunteer.

The volunteers offered blood glucose and blood pressure screenings. The event was a huge success with many patients serviced.

Kappa Psi at Relay for Life

Kappa Psi

On April 8th Kappa Psi participated in a Disney themed Relay for Life hosted by Bellarmine University. Kappa Psi sold cupcakes decorated with Monster's Inc, Beauty and the Beast, Frozen and other colorful icing. Throughout the twelve-hour event, Kappa Psi raised over \$700 for the American Cancer Society.

LKS celebrating Hygeia Day

Lambda Kappa Sigma

LKS has begun planning outings for members, as the weather gets warmer. Our chapter plans on doing the Color Run 5K together on June 10th. We are also planning a pool party to celebrate the end of the school year! Recently we celebrated our national holiday, Hygeia Day, observing health sciences and pharmacy advances.
