

Program Description

The Medicaid Center of Excellence (MCOE), a partnership with Evolent Health and Passport Health Plan, has joined with Sullivan University College of Pharmacy to deliver a postgraduate training opportunity for pharmacists to expand their skills in the area of managed care pharmacy. The PGY1 residency program provides managed care training at the MCOE in Louisville, KY. With an emphasis on Medicaid, the program offers exposure to a variety of lines of business and learning experiences where the resident will be an integral part of the pharmacy team. The residency program is accredited by the American Society of Health-System Pharmacists and the Academy of Managed Care Pharmacy

For more information on the MCOE, please visit:
